Sir:

REQUEST FOR CORRECTED NOTICE OF ALLOWABILITY

On January 27, 2010, the USPTO mailed a Notice of Allowability (herein referred to as "the Notice") for the above-identified patent application. On Form PTOI-27 included in the Notice, it states "The allowed claim(s) is/are 17 and 30." However, per Applicant's submission mailed on August 24, 2009, which has been entered, and the Reasons for Allowance included in the Notice, Applicant respectfully believes claims 17-27 and 30 should be in condition for allowance. Therefore, Applicant respectfully requests this error to be corrected and for a Supplemental Notice of Allowability to be issued reflecting the above correction. Should the Examiner have any questions regarding this submission, he is welcome to contact the practitioner listed below.

Respectfully submitted,

ALEXANDER FUCHS ET AL.
